Subject: Trucker Convoy

The latest information for the Trucker Convoy is that approx. fifty vehicles are present in Comber. The majority are personal vehicles, with the lot getting congested. There is an OPP team on site that is currently staging.

MicMac park is vacant with no vehicles gathering.

We have an off-duty officer traveling east on the 401 and will report any large convoys of trucks traveling W/B toward Windsor.

Patrol officers are looking to identify any alternative staging areas at this time.
